

Waste Electric and Electronic Equipment (WEEE) Return Procedure

1. Obtain and complete a WEEE Return Request Form
2. If appropriate, the Customer Support Representative will provide you with a WEEE Return Number. Please be sure to write this down, as future reference will be required.
3. Within 14 days, a Legacy Customer Support Representative will provide the contact information of the facility designated to accept the WEEE Return.
4. Return the products, along with the complete WEEE Return Request Form, to the facility designated.
5. If, upon examination, it is discovered that any products returned pursuant to a WEEE Return Request are not Legacy Electronics products, be they another manufacturers products, counterfeit products or otherwise, the products will be returned to sender at the senders expense.
